BLACKMAIL TRIAL

WELFARE LEAGUE ORGANIZED

Hyrum, March 16 .- At a mass meeting hheld in the City Hall last of Mrs. H. H. Hirsch, charged with Wednesday night the Citizens' Wel- attempting to extort \$500,000 from dy. Mrs. Frank Crocker, Pana, Ill., fare League of Hyrum, was organized as follows: Mr. T. W. Hutton, saw both sides battling every inch president; Dr. P. W. Eliason, vice of the way. That the case would go president, and Joseph A. Pearce, secretary and treasurer. A board of directors consisting of five members was chosen as follows: R. A. Eliason, Charles R. Jenson, J. J. Hall, Z. W. Israelson and James Jenson.

Last Sunday afternoon the three wards of Hyrum, held their regular monthly conjoint sacrament meeting, President William C. Parkinson presiding. Prayer was offered by Elder A. P. Rose. Short and spirited addresses were delivered by Elders, Albert Nielson, Robert Baxter, Arnold W. Nielson and Silas Allen. The benediction was pronounced by Elder Joseph M. Smith. The Third choir furnished the singing.

Sunday evening the three wards held their monthly conjoint meeting in the Third ward meeting house. The speakers of the evening were Elders Heber Lauritsen and Morgan Anderson. The meetings were very well attended.

Last week the Silver Players made an extended trip, playing to dances at Brigham City, Malad, Samaria and other towns, returning home Saturday night. We are certainly proud

of our boys. Mr. and Mrs. Hans Gregerson of Basalt, Idaho, are making a couple of weeks stay in Hyrum, while doing temple work in the Logan Temple.

Mr. C. A. Harker of the Wolf Mountain Copper Company, was a siness visitor here last Thurs-

Mr. Reuben Larson who has been visiting in Los Angeles for some time returned home last week and is now awaiting his call to join the

Mrs. N. W. Christianson of Ephraim, Utah, paid his parents an friends here a visit last week.

Mr. P. V. Christianson of Ogden. pent a couple of days in Hyrum last

Mr. Henry Danielson, formerly of Hyrum, who has been on quite an extended trip through California, stopped off at Hyrum the forepart of last week before returning to his home at Arco, Idaho.

Mrs. Ephraim Davidson of Rupert, Idaho, is in Hyrum visiting with her mother, Mrs. Ellen Peterson.

Mr. C. L. Anderson returned last Tuesday from his visit to California, where he went a few weeks ago for his health. He reports a very pleasant trip and much improved in his bealth.

Mr. and Mrs. Fred Miller entertained at their home on March 8, in honor of Mrs. Miller's father, Mr. William James, it being his 88th birthday. Considering his age, Mr. James is feeling most excellent and enjoys very much being surrounded by his children, grandchildren and great grandchildren. He is the father of 6 children; 57 grandchildren, and 70 great grandchildren living. Mrs. Mfiler assisted by her daughters, Mrs Floyd Nielson, Mrs. Earl Anderson and Miss Emma Miller served a deliclous dinner to the following guests: Mr. and Mrs. D. J. James, Mr. and Mrs. J. T. Roberts, Mrs. George Howell, Mr. and Mrs. John Lofthouse, Henry and Chancey Lofthouse and Guy Howell of Paradise; Mr. and Mrs. John J James and daughter, Ruby of Logan; Mrs. Lucille Birch, Mrs. Earl Ander, and Mr. and Mrs. Floyd Nielson of Hyrum.

The efternoon was spent in games and music. One of the enjoyable featurns was the fex trot danced by

if the United States can learn some thing about saving out of this war it will be worth the cost of the war; I mean the literal cost of it in money and resources. I suppose we have several times over wasted what we ell. After luncheon was served all re- are now about to spend. We have turned home wishing Grandpa many not known that there was any limit to our resources; we are now finding out that there may be if we are not careful."-Woodrow Wilson.

WHEN YOU HAVE A COLD

It is when you have a severe cold that you appreciate the good qualities of Chamberlain's Cough Remeterrible coughing spells. We were greatly worried about him as the Mrs. Hirsch was expected to take medicine we gave him did not help the stand herself as one of the first him in the least. A neighbor spoke witnesses. Whether she would do so highly of Chamberlain's Cough so under oath, allowing the state Remedy that I got a bottle of it. thereby to cross examine her, is caus- The first dose benefited him so much that I continued giving it to him Judge Richard B. Russell, form- until he was cured."

POTATO IS KING

The Humble Tuber Replaces Wheat in a Multitude of

WAR TIME THRIFT

"I suppose not many fortunate by products can come out of a war, but omical and practical substitute or a slightly of the countries of the products can come out of a war, but one workers who have been associated with Mrs. new. But how about potato pudding, potato pastry, potato cookies, potato tea cake, potato biscuits, and, above all, potato short cake? Miss Hortense White, of the Extension, Division of the Utah Agricultural College, has prepared a list of potato recipes showing in how many ways potato can substitute for flour. Following is her first:

The Potato is the most economical and practical substitute of the countries of the countries. Mixin the order given and practical on a slightly in the order given and the contribution of the countries.

omical and practical substitute for wheat in this part of the country. Make use of it by substituting 1/3 to 1/2 potatoes for white flour in your old, well tried recipes, using about 1/4 cup less liquid in allowance for the moisture in n allowance for the moisture in the potatoes. It is best to cook potatoes with jackets on. Remove the skins as soon as the potatoes are cooked and mash thoroughly. Steamed Potato Chocolate Pud-

3 T. fat egg % c. suga % t. salt 11/4 c. flour c. sugar

4½ t. baking powder 1 c. well mashed dry potatoes 21/2 squares chocolate Serve with a sweet sauce.

Potato Biscuit 1 c. cold mashed potatoes 1/3 c. milk 3 T. lard About 11/2 c. flour

2 T. baking powder

1/2 t. salt
Sift flour, baking powder and
salt; work in lard with a knife or Adv spatula; add other ingredients

and finish in the usual manner. Bake in hot oven 12 to 15 minutes. Potato Pastry

1/2 c. mashed potato cup flour No water is needed as the moist-

L' cup raisins
Mix in the order given and drop,
by spoonfuls on a slightly greased tin. Bake in a moderate oven
Potato Short Cake

cups mashed potato 2 t. sugar 1 t. salt

14 cup fat 2 t. baking powder Enough flour to roll. Potato Tea Cake 11/2 cups mashed potato

1 egg

cup sugar 1 egg 1cup yeast 3 t. butter

place far apart in pan. When risen put icing on and bake in moderate oven 20 or 25 minutes. Makes 48 buns.

Potato Bread

2 quarts sifted 4 arms.

Inatics, psychology, public speaking, physical education, sociology, Spanish, woodwork, and zoology. Students who wish to complete a full quarter's work during the summer will be allowed to take special work.

2 quarts sifted flour 1/2 t. salt.
2/3 quarts mashed potatoes 1 cup liquid yeast
Mix thoroughly together the flour, potatoes, and salt. Just enough liquid to make a very stiff dough. Combine ingredients as you would any other bread. Knead thoroughly. Let rise twice Knead into one round. twice. Knead into one pound oaves. Let rise and bake about

SUMMER SCHOOL DATES

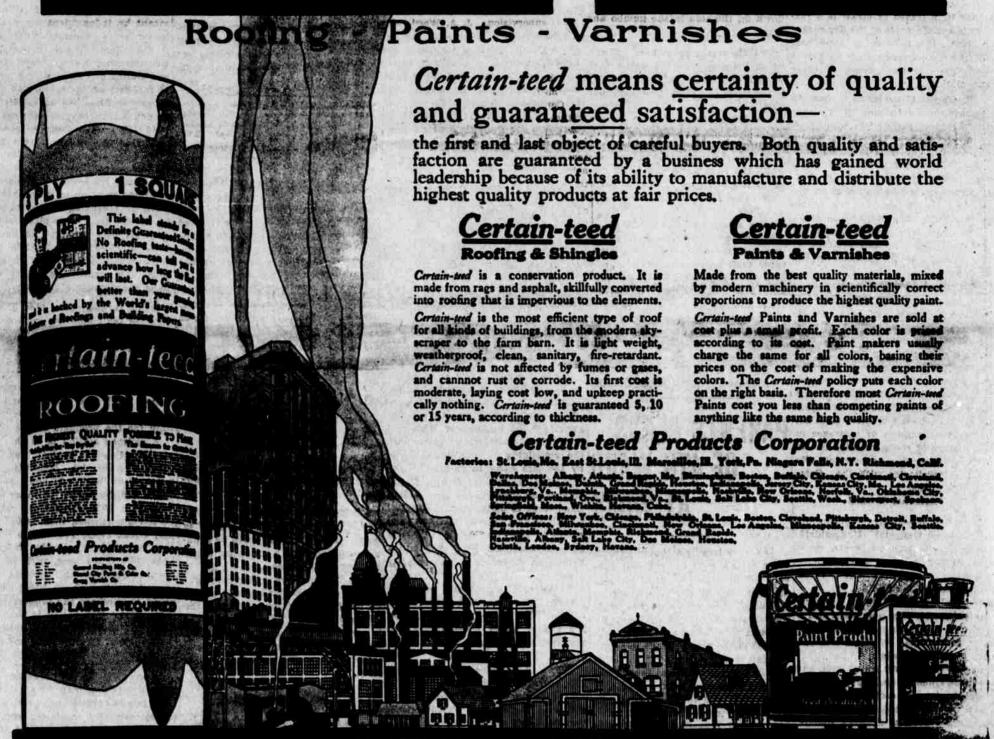

Vital Work in Home Economics
To Be Given By U. A. C.
Summer School at the Utah
Agricultural College will open
Inter 10 this year and run for June 10 this year and run for six weeks, according to an announcement just made by Dr. J. H. Linford, director. Work in home economics will be particularly emphasized, says Dr. Linford. The home economics practicularly emphasized, says Dr. Linford. ford. The home economics practice house will be open to train students in the actual running of a home. During the summer session twelve students will be accommodated in the practice house. Those first applying will be admitted.

Work in poultry, with special emphasis on the care of the back yard flock, will be stressed, as will courses in art and music. Other courses are offered as fol-1 cup milk or potato water

Make a sponge of yeast, milk, botany, chemistry, economics, edpotatoes, sugar, salt, and butter and egg. Let rise, then add enough flour to make dough and let matics, psychology, public speakmatics, psychology, psy

weeks. Those wishing this extended work should communicate with Dr. Linford immediately.
